

VCF354

Cabin Filter Location

Makes/ Models

Filter Type: Carbon

BMW

1 Series E87 (4/05->)

3 Series E90 (3/05->)

Difficulty: Easy
Time (Approx) 5 Mins

1. The filter is located centrally under the bonnet under the plastic cover just beneath the windscreen.
2. Remove the cover and unclip the filter from the top edge to remove.
