

VCF359

Filter Type	Standard
-------------	----------

Chevrolet

Kalos (3/03->)

Daewoo

Kalos (3/03->)

Cabin Filter Location

Time (approx)	20 Mins
---------------	---------

Difficulty	Medium
------------	--------

1. The cabin filter is found behind the glove compartment on the passenger side.
2. Unhinge the compartment locker and allow it to hang down to expose the filter housing behind it.
3. Remove the filter casing and slide out the cabin filter.
